

Application Serial Number 10/550,875
Response to Office Action
Dated May 17, 2007

REMARKS / DISCUSSION OF ISSUES

Claims 1, 3-8 are presented for further consideration. Claim 1 is independent.

Claims 2, 9-11 are cancelled without prejudice or disclaimer of their subject matter.

Unless indicated to the contrary, claims are amended for non-statutory reasons to replace European-style phraseology with phraseology more commensurate with U.S. practice.

Allowable Subject Matter

Applicants gratefully acknowledge the indication of allowability of claims 2-8. The subject matter of claim 2 is incorporated by amendment into claim 1, rendering claims 1, 3-8 allowable.

Rejections Under 35 U.S.C. § 103

The rejections under this section of the Code have been considered. In view of the present amendment, however, the rejections are moot.

Conclusion

In view the foregoing, applicant(s) respectfully request(s) that the Examiner withdraw the objection(s) and/or rejection(s) of record, allow all the pending claims, and find the application in condition for allowance.

If necessary, the Commissioner is hereby authorized in this, concurrent, and further replies to charge payment or credit any overpayment to Deposit Account Number 50-0238 for any additional fees, including, but not limited to, the fees under 37 C.F.R. §1.16 or under 37 C.F.R. §1.17.

If any points remain in issue that may best be resolved through a personal or telephonic interview, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.
